Mark,

I hope you have had a great weekend. I am sure enjoying retirement! It is the BEST. I've got time to do just about everything I want – including casual lunch meetings! Which brings me to this: I am not trying to put my nose where it doesn't belong. I had my time as principal of Longhunter (19 years) and am happily retired – but I was having lunch Saturday afternoon with some of the teachers from the school and they were just sharing some concerns about some of the changes in the school. Not that you need my help or advice, but if you do every want my help or advice, just let me know. I am happy to meet up and talk shop. Just let me know.

Ok, back to the river! These fish won't catch themselves!
